In the home improvements division, Mrs. George Solberger, Gettysburg R. 4, won first place in the Class 82B floor rug, wool. She also captured first place in the C sweepstakes for wool rugs.

**OTHER WINNERS**  
Mrs. Bruce Wetzel, Biglerville R. 2, won a fourth place for plums. Mrs. Wetzel also won third prize for a display of canned fruit, and first prize for canned pears.

Mrs. W. Ross White, Biglerville R. 2, won third prize for a boy's coat. She captured third prize also in the coat division.

Many awards were presented in the edible nuts division. Garnet Coble captured first places for shagbark hickories, seedlings, heartnuts, Chinese chestnut and seedlings.

Coble's other places were second elmer myers; filberts, Persian or English walnuts, and a group display. He received a fourth place in the shagbark hickories.

Other countians to receive nut awards were Joyce and Eva B. Ripley, Aspers, second and third respectively; Isaac Ripley, Aspers, first in shagbark hickories; Eva B. Ripley, Aspers, third in the shagbark hickories; Cameron Garretson, Biglerville, first in the Japanese chestnut, seedlings division.

## AUTHORITY TO PAY OFF \$5,000 SCHOOL BONDS

The Gettysburg School Authority Monday evening directed purchase of \$5,000 worth of the bonds it had previously sold and thus brought to \$276,000 the amount of bonds it has paid off since the authority was established a decade ago.

The decision to buy the \$5,000 worth of bonds back, made at Monday's meeting in the Gettysburg High School, follows a plan set up some time ago by the authority. When it has some extra funds available and can buy back bonds at par it does so, thus cutting down the interest that will have to be paid over the years.

During the decade the authority issued \$2,450,000 worth of bonds. Since that time it has not only kept up the interest payments, but has also reduced the outstanding bonds to \$2,189,000, a difference of \$271,000. When the \$5,000 authorized Monday is paid for the bonds, the amount still outstanding will be \$2,184,000, and the amount of bonds paid off \$276,000.

### RE-ELECT OFFICERS

The bond issues and amounts still outstanding include: 1950, \$210,000 for the gymnasium and cafeteria, \$147,000 still to be paid; 1953 auditorium addition, \$775,000, with \$677,000 still to be paid; Keefeauver building, \$750,000 of which \$670,000 is still to be paid; and 1958, Eisenhower School, \$715,000 of which \$695,000 is still to be paid.

## Appler's Name Sent To Senate

Jacob G. Appler, acting postmaster at the Gettysburg post office, was among the nominations sent to the Senate Thursday by President Dwight Eisenhower for confirmation.

Appler has been acting postmaster since October 24, 1958, when he succeeded Dewey McCauslin who had served a short period as acting postmaster. McCauslin was named to succeed Lawrence E. Oylor, who died suddenly while serving as postmaster.

It has been pointed out the Democratic Senate can let the nominations die allowing President-elect John F. Kennedy to make new appointments when he becomes president on January 20.

## BUILDERS' SHOW TO BE MARCH 16-18

Plans for the 1961 Gettysburg Exchange Club Builders' Show, to be held March 16, 17, 18 in the Hotel Gettysburg Press Room, were advanced at the Tuesday meeting of the club in the Lamp Post Tea Room. President Crosby Hartzel presided with 25 members present.

Robert Ziegler, reporting for the prize committee, said that a portable dishwasher, portable television, power mower, ladies' luggage, portable saw, two transistor radios, a family portrait, an electric can opener, a movie projector and a Brownie flash camera are the main prizes. In addition, he added, many other prizes will be given away during the shows.

A. David Sterner, reporting for the ticket committee, said that the tickets had been printed and were read to be sold. He reported that the Ladies' Auxiliary of the local fire company had offered to help the tickets. The tickets were distributed to the members after the meeting.

David Rutter, chairman of the sign committee, is making preparations for the signs and chose John J. Sentz to help on the committee.

The publicity committee was authorized to spend the same amount this year as was spent in 1959.

A board of directors' meeting was held after the regular club session.

## SCHOOLS NOTE BEGINNINGS OF CENTENNIAL

The opening of the Civil War centennial Monday was noted by a number of classes in schools throughout the county. Superintendent of Schools C. P. Keefer and Arthur M. Gordon of the Upper Adams schools reported Tuesday evening at a meeting of the Adams County Civil War Centennial Commission in the court-house.

Superintendent Keefer said a mimeographed outline of Adams County's participation in the Civil War was sent history teachers and other teachers in December. The brief history was accompanied by a letter urging the teachers to note the observance by mentioning in classes, special projects or assemblies or in any manner that seems suitable.

Keefer and Gordon said many mentioned the start of the centennial in classes Monday and plan other special activities during the year as part of the anniversary observance.

### TO GATHER REPORTS

Superintendent Keefer said he would ask the teachers to make a report near the end of the school year of what events were held in the schools in connection with the centennial observance.

Further plans were discussed for the marking on April 22 of the leaving of the first Adams County unit to join the armed forces in the Civil War. O. G. MacPherson and Lt. Col. Corvan S. Byran reported plans to meet with officers of the Sons of Veterans Reserve at Little Sunday to arrange for participation by 150 members.

## GOP Committee Meets Thursday

Adams County Republican Chairman H. Earl Pitzer has called a meeting of the county committee for Thursday evening at 7:30 o'clock in the pressroom of the Hotel Gettysburg when State Republican Chairman George I. Bloom will be a guest speaker.

Plans will be advanced for the annual Lincoln Day dinner to be held February 16 at the Gettysburg High School and committees for that event will be announced. Plans for voter registration work in the county this year also will be covered.

## COMPANY D TO MARCH IN INAUGURAL

Adams County's Army Reserve Unit, Company D, First Battle Group, 313 Infantry, will take part in the Presidential inauguration parade at Washington, D. C., January 20, the members of the unit learned at their drill Tuesday evening in the Reserve Training Center on Queen St.

The unit will go to Indiantown Gap Sunday to practice for the parade. Officers of the local Reserve unit said the selection was a "signal honor" for the local Reserves.

They will join Company C, First Battle Group, located at Carlisle, in making up the approximately 200-member marching unit for the parade.

### BATTLE GROUP CHOSEN

The local Reserve officials said they understood the 79th Division was invited to send a unit to represent the Reserves in the Inaugural parade. Maj. Gen. J. Calvin Frank, commanding officer of the 79th Division, then decided the honor should go to the First Battle Group, which the local Reserve officers said has won numerous awards for proficiency. From that Battle Group the Carlisle and Gettysburg units were selected because of the top honors they have won in various engagements of the Reserve.

Army buses will be sent here January 20 to transport the local contingent to Washington. The Reserve unit will leave its training center here at 8 o'clock on the morning of January 20 and return at 6 o'clock that evening. The members will be provided with box lunches to eat enroute to the parade and then will be fed an evening meal at a restaurant enroute home.

### TWO ASSIGNED

At Tuesday evening's meeting at the Reserve Center, the assignment of two men returning from active duty was announced. The two men are: Sp-4 Cecil R. Guise, Biglerville, and Pfc. John H. Jacobs, East Berlin.

Pvt. Francis L. Althoff Jr., Gettysburg R. 2, who enlisted in the unit in September, left Sunday for six months active duty training at Fort Dix, N. J.

### STOCKS IRREGULAR

NEW YORK (AP)—The stock market moved irregularly in active trading early this afternoon. The Associated Press average of 60 stocks dipped .10 to 225.70 with the industrials off .10, rails unchanged, and utilities off .10.

Changes of most key stocks were small but there were a few moves of a point or so in either direction. Brokers saw the market as consolidating some of the gains made in its 1961 rally.

### WASHINGTON (AP)—

A government building guard went berserk today, shot down four persons and killed himself. Two of his four victims died instantly. The others were critically wounded.

The dead: John Pledger, 40, a uniformed guard at the main Navy building, Constitution Ave. and 18th St., who took his own life at the end of his shooting spree. Pledger was a civilian employee of the General Services Administration which has custodial duties for all government buildings.

Pledger's estranged wife, Zelma, 32.

## SOROPTIMIST DINNER HELD

The Soroptimist Club of Gettysburg held its monthly dinner meeting Tuesday evening, at the Varsity Diner, Carlisle St., in the form of a youth achievement dinner with 24 members and one guest present. The invocation was given by Mrs. Walter Keeney and group singing was in charge of Mrs. Guyon E. Buehler. Toastmistress was Mrs. James Gregg, who introduced the guest speaker, Mrs. Jennings B. Collins, president of the Adams County Girl Scout Council.

Mrs. Collins gave the history of scouting and told of the organization and programing of Girl Scouting in Adams County. A colored moving picture titled "Mile High World Wide" was shown of the Girl Scout Roundup, held near Colorado Springs, Colo., in July, 1959.

Decorations on the table were milk glass baskets filled with flowers, yellow candles and favors made by the local Girl Scouts.

The public affairs committee consisting of Mrs. Merville Zimm, chairman, Mrs. Violet Hill and Mr. James Gregg, assisted by Mrs. Henry Bream, Mrs. Estelle Williams and Mrs. Walter Keeney, was in charge of the dinner arrangements. The president, Mrs. S. H. Burton, presided at the business meeting.

## HEARING ON OLD RR SPAN IS RESUMED

Argument continued before Pennsylvania Public Utilities Commission Examiner George B. Stuart in the courthouse today on who "owns" the Hoopes' Cut bridge in Cumberland Twp. but the final decision will be up to the commission itself.

Continuation of a hearing before the examiner here today brought forth testimony as to the cost of repairs to the bridge, testimony as to the possible need for a two-lane as opposed to the present one-lane bridge and much argument between attorneys over the purpose of the hearing.

### FIGURES DIFFER

In argument among attorneys before the examiner, it was revealed that Attorney Paul A. Parsons, Baltimore, general solicitor for the Western Maryland Railway, and Attorney John A. MacPhail representing the Cumberland Twp. supervisors, had been negotiating for nearly a year trying to find out whether the railroad or the township owned the bridge, which is closed and in need of repair. The railroad and the township each held the other "owned" the bridge. The railroad admitted to having done some repairs to the bridge but said that did not indicate "assuming responsibility for it."

This morning railroad engineers presented figures which held the bridge could be repaired to take care of traffic for about \$10,000. Differing figures were given for different types of repair. In addition their engineers said a foot path for pedestrians could be added "for not much more than \$500."

State Highway engineers testified that Pennsylvania's criteria for bridges as established in 1957 designated the bridge as a Class Four structure, requiring that the road surface of the bridge be 12 feet wider than the paved section of the highway leading to the

### MAGUIRE RITES HERE ON FRIDAY

Funeral services for Mrs. Margaret E. Maguire, 92, of 48 E. Middle St., who died Tuesday afternoon at the Warner Hospital, will be held Friday morning, it was announced today.

A meeting will be held at the Bender Funeral Home, Carlisle St., Friday morning at 8:15 o'clock to go to St. Francis Xavier Catholic Church for a Requiem Mass at which the Rev. Fr. Anthony Kane will officiate at 9 o'clock.

Interment will be in church cemetery. Friends may call Thursday evening from 7 to 9 o'clock at the funeral home. The Rosary will be recited at the funeral home Thursday evening at 8 o'clock.

A native of Gettysburg, she was a daughter of the late Frederick T. and Theresa (Zhea) Wassem, and was a member of St. Francis Xavier Catholic Church here and of the Rosary Society of the church.

She taught school in Bonneauville for a number of years.

Her husband, the late John F. Maguire, died in 1905.

Surviving are two sons, Joseph A. Maguire, York, and Bernard Maguire, at home.

## DEARDORFF RENAMED BY HISTORIANS

Associate Judge Clarence D. Deardorff, McKnightstown, was elected president of the Adams County Historical Society for his second term at the annual reorganization meeting Tuesday evening at the court house.

Dr. Charles Glatfelter of Gettysburg College was re-elected vice president; treasurer, Frank Newcomer, and recording secretary, Mrs. Emma Sheffer. President Deardorff re-appointed Arthur Weaver as corresponding secretary and Dr. Glatfelter as librarian.

The annual report of Treasurer Newcomer showed the society began the year with 135 members and \$215 in the treasury.

### NEED QUARTERS

Attention was called to the proposal to change the front of the historic Presbyterian Church here and opinions were voiced against "modernization of historic buildings in our community." Arthur Weaver gave a report as genealogist.

Dean W. E. Tilberg reported on a conference his committee held with the county commissioners on their order evicting the society from its basement quarters where meeting rooms and museum space have been provided for a number of years. He said the deadline for the society to vacate has been extended from January 1 to March 1.

There was discussion on whether the society's historic collection should be placed in "dead storage" or moved to another location before the March 1 deadline. Dr. Tilberg's committee will continue to work on the problem.

The society's collection may be moved to the old seminary dorm where the society holds a 39-year lease but the historians will not know until early summer whether the building will be available, pending a decision on the future of the seminary.

Mrs. George Ditchburn spoke of the need for keeping the society's genealogical files available because they are called upon frequently for information.

## TO PROMOTE "1863 LOOK" IN BOROUGH

Further plans for a program to encourage restoration of the "1863 atmosphere" in Gettysburg were outlined Tuesday evening by Harry Spangler and Donald Becker to the Gettysburg Travel Council at its meeting in the West St. branch of the Gettysburg National Bank.

Becker and Spangler said the Junior Chamber of Commerce will call a meeting in the near future of local organizations to begin plans for promotion of changes to store fronts to help restore the Civil War period atmosphere of the community. The program planned is one similar to that conducted previously in Hollidaysburg with an architect providing plans where, by making only a few changes, store fronts could be changed sufficiently to give an atmosphere of an earlier day without going to the expense of major changes.

## Photographers To Dine April 7

Preparations for the annual ladies' night meeting of the Gettysburg Photographic Society on Friday, April 7, were advanced at the January meeting of the society Tuesday evening at the home of Paul G. Pensinger, W. Middle St.

The banquet committee includes Dr. Frederick Tilberg, Dr. C. Allen Sloat and Maurice Stoops. An annual feature of the affair is the selection of the "print of the year."

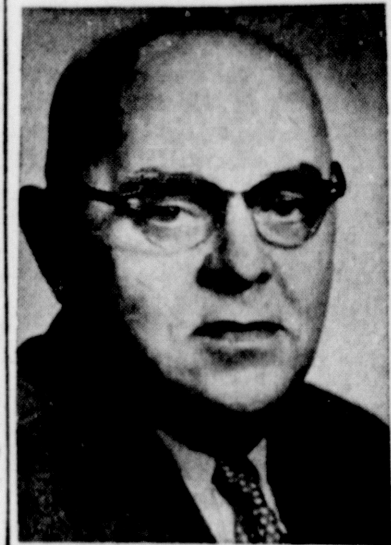

A suggestion was made that one-man print shows be displayed at intervals at the Adams County Free Library, E. High St.

Eighteen photos were entered in the monthly print competition. In the voting the honors went to Dr. Francis C. Mason, first; Robert Ziegler, second and third; Dr. Sloat, fourth; Edward Stine, fifth, and Dr. Tilberg, sixth.

## H. E. COULSON DIES SUDDENLY IN WASHINGTON

Howard E. Coulson, 59, Orrtanna R. 1, relief room clerk at the Hotel Gettysburg and active in local Masonic circles, died suddenly about 3 o'clock Tuesday afternoon in a Washington, D. C., railroad station.

Mr. and Mrs. Coulson had motored to Baltimore where Mrs. Coulson remained with friends while her husband took a train to

Washington on business. It could not be learned whether he was stricken on his arrival in Washington or was in the station for his return trip when he was taken suddenly ill.

He was rushed by ambulance to a hospital but death had occurred.

### CAMPAINED HERE

Mr. Coulson, who had received a five-year award as a Hotel Gettysburg employee a few weeks ago, was a former railroad pullman conductor.

He had served as a magistrate in Baltimore from 1935 to 1939 after an appointment by the governor of Maryland. He also was a former president of the West Baltimore County Republican Club

## NEED FUNDS FOR CHAPEL AT COUNTY HOME

The Adams County Home Auxiliary at its meeting Tuesday afternoon at the home learned there have been a large number of donations toward furnishing the chapel in the new county home, but also learned that additional contributions are needed to completely furnish the room.

Efforts are being made by the auxiliary to have the furnishings ready for the chapel by the time the new home is opened in April.

Among donations toward the chapel, according to reports Tuesday, have been \$385 from Mr. and Mrs. Elmer Yoder, Biglerville, for the altar; \$224 from Mrs. Lloyd Garretson for the lectern, and such sums as \$25 from the American Legion of Gettysburg, \$15 from the Auxiliary of the Littlestown Eagles, \$55 from Mrs. Ward Eason, \$15 from Mrs. William Himes, \$10 from the Maude Miller Bible Class, \$25 from Mr. and Mrs. George L. Shriver, \$10 from the Good Times Club of Cashtown Trinity United Church of Christ, and \$5 each from Mrs. Philip Jones, Miss Nina Morrow, Union Bible Class of St. Paul's Lutheran Church and John Gentzler. The Woman's Club of Gettysburg will provide vases for the altar.

### INSTALL OFFICERS

It was announced that among items still needed are the pulpit costing \$325, dossal and bulkhead costing \$235 and clergy stalls costing \$70 apiece.

New officers were installed Tuesday by the auxiliary.

They are: Rev. W. C. Karns, president; Rev. William Fenster-

## GETTYSBURG NATIONAL'S STOCK ISSUE GIVEN OKAY

Stockholders of the Gettysburg National Bank gave their formal approval at their annual meeting Tuesday afternoon at the bank to the plan for the increase in the capital stockholder of the bank from \$25,000 to \$750,000.

The plan provides for the sale of additional shares of stock with a par value of \$5 per share of \$15. Rights to buy shares of the new issue are to be mailed to the present stockholders within the next few days.

Plans for the increase in capitalization had been announced previously and Tuesday's action was expected.

### NEW DIRECTOR

The stockholders named Ryland B. Garretson, Bendersville fruit-grower, as a new member of the bank's board of directors and re-elected these directors for another year: C. A. Cluck, J. E. Codori, Dr. C. G. Crist, John A. Hauser, C. W. Johnson, Dr. W. S. Mountain, John S. Rice, Charles J. Toot, Walter A. Keeney and C. A. Wills. About 88 per cent of the bank's stock was voted at the election.

At the re-organization meeting of the board of directors which followed the shareholders' meeting, these officers were elected: President, C. A. Wills; executive vice president, Mr. Keeney; vice presidents, Carl E. Prosser, Mr. Toot and J. Bruce Maclay; cashier, John W. Hewitt; assistant cashiers, Harold L. Ecker, who is also manager of the West St. branch of the bank; Mrs. Gladys R. Kelley, J. Fred Schultz, Jay P. Brown and L. Glenn Shriver, who is also manager of the consumer loan department at the West St. branch; trust officer, George T. Raffensperger; assistant trust officers, H. W. Mayer and Richard E. Schultz; comptroller, Charles W. Ogden, and Secretary to the board, Mr. Johnson.

Copies of the bank's year end statements were distributed to the board members Tuesday showing the bank's total resources increased nearly two million dollars in the last year to a total of more than \$22 millions. In addition, individual and corporate trusts there total more than \$20,000,000.

Results of other annual bank meetings in the county Tuesday have been reported as follows:

# THURMONT WOMAN IS CONVICTED

A jury in York County court Tuesday found a 44-year-old Thurmont, Md., housewife guilty of conspiring with a 28-year-old York woman to have the housewife's name entered as the mother on a birth certificate for a daughter born to the younger woman.

Mrs. Frances Leatherman, wife of John D. Leatherman, was found guilty of conspiracy to do an unlawful act.

The baby's mother, Ruth O. Rinker, formerly of Hampton, pleaded guilty to the conspiracy charge and to a companion charge falsifying a public record before Mrs. Leatherman went on trial.

Judge George W. Atkins deferred sentencing the women until February 6.

Mrs. Leatherman denied that she ever gave Miss Rinker permission to use her name on the birth certificate or aided Miss Rinker in filling out an application for a birth certificate which contained some personal facts about Mrs. Leatherman.

## TO PERMIT ADOPTION

She admitted that sometime after a conversation with Miss Rinker in March, 1959, she gave permission through a relative for Miss Rinker to use her name when she went to a doctor in order "to have her family name."

Mrs. Leatherman said she did not see Miss Rinker again until the young woman telephoned from West Side Osteopathic Hospital. The child was born June 6, 1959.

Mrs. Leatherman said she paid the hospital bill with her personal check and a relative of hers took Miss Rinker to her home, then at Hampton, while Mrs. Leatherman took the child to her home, where it now is with Miss Rinker's consent.

Miss Rinker said she has given Mrs. Leatherman permission to adopt the baby.

bridge. Under that criteria a 28-foot road surface would be required—or a two-lane bridge.

Attorney Parsons objected to testimony showing a new two-lane bridge should be built, holding the question before the PUC is "who is responsible and approval of plans for renovation." There was argument by the attorneys on whether "renovation" as listed in the complaint of the township to the PUC meant repair—or whether it also meant replacement by a new and larger structure. There was also argument on what should be considered at the hearing. As a result Parsons read a long statement into the record giving his objections. The state highway attorney read a statement to the effect that the commission should consider whether it was sensible to spend "\$10,000" on repairs when a new bridge should be built.

## Hold Two Banquets At Grace Lutheran

has served as game leader, vice president and president of a county 4-H club. His farm program four years ago consisted of two sows and litters and two Angus heifers.

Currently his farm program consists of four Angus cows and calves, four Angus steers, four heifers, 200 capons, eight acres of corn and 200 hens.

Robert E. Smith, a senior at York Springs (Bermudian Springs) High School, has been in the agricultural education program for three years. He assists his father in operation of an 133-acre dairy and swine farm. He supervised program in connection with his school studies is based on corn, hay, dairy and swine projects. He has served as assistant president, vice president and president of the York Springs FFA chapter and as treasurer of the Adams Franklin Area FFA. He also has served as president of the 4-H Dairy club, as president of the Student Council and as vice president of the Luther League at his church.

Gene Williams, a Senior in Gettysburg High School and a four-year student of agriculture has

and property committees of the school board to discuss possible changes in the preliminary plans. The board members said: "Now is the time to make absolutely sure we have what we want. After the plan is in effect it costs money to do it."

During a lengthy discussion on the proposed new building the authority members indicated they will insist on construction of the new high school at "only necessary expense. We don't want any frills."

Members of the board went over proposed plans for the new Gettysburg Area Senior High School building and noted they plan to meet with the finance

## Learn Break Was Planned For Dec. 24

PHILADELPHIA (AP)—Investigators say discovery of a zip gun on an inmate the week before Christmas apparently delayed an attempted prison break at Eastern State Penitentiary until last Sunday night.

State investigators said Tuesday they learned the break was originally planned for Christmas Eve. But because guards seized inmate Richard J. Mayberry a few days earlier and charged he was carrying a zip gun and bullets, the break attempt was delayed, officials said.

In Sunday's disturbance Mayberry was hit over the head and injured while being recaptured. Deputy Atty. Gen. Frank P. Lawley is head of the investigation team.

served as assistant secretary, vice president and president of his local chapter and as president of the area FFA. His supervised farm program has increased from two gilts, one steer, 15 acres of corn and three acres of oats in Ninth Grade to the following program as a Senior: 25 sows and gilts, eight steers, 35 acres of corn, 15 acres of oats, 20 acres of small grains, 50 fat hogs and two beef heifers. His father operates a 130-acre general farm.

Larry Alwine has graduated from East Berlin High School where he served as chaplain and as president of the FFA chapter. His father operates a 93-acre dairy farm.

Alwine's supervised farm program started as a freshman with one dairy heifer, two gilts and 14 fat hogs. His senior year the program included six dairy cows, six dairy heifers, two sows, two gilts and 21 fat hogs.

The drive for \$3,200 to finance the institution during the coming year will open Monday noon, following a dinner to be tendered the captains and workers by board members at the YWCA. It is planned to conclude the drive within one week.

## Today's Talk

## INTEGRITY

As I have traveled through life I have watched men and women and measured their habits, and I have decided that integrity has always led the list.

If a man has integrity, he has all, and can be trusted to perform both honestly and with a high regard for others.

With integrity there is no need to show any "background" papers, such men and women recommended themselves.

Integrity is capital itself. A nation with integrity can always command a royal respect. It is the over-all.

Integrity is better than the Dun and Bradstreeters. A person with integrity can lose nothing in the stock market. His integrity isn't a gamble. It is his greatest asset.

We can know when we are dealing with men of integrity. There is no boasting, no showing off. People with integrity need no introduction. They are known in advance. Their reputation travels with them and stamps their entire personality on whomever they meet.

Yes, the more I think upon the qualities that go into the making of a great character, I settle upon integrity as the outstanding virtue. There is no greater quality with which to begin life. It is something that cannot be bought. One must train oneself to it and place it as the cornerstone of one's character.

One of America's greatest financiers—the elder J. P. Morgan—always contended that a man's integrity was the best collateral any man could have. Never will it change!

Keep your integrity. It will never betray you.

## WINTER

Last night the snow came into town  
And robed the spruce in a silver gown.  
And some of the cuttings in the rush  
Fell and were caught on a berry bush.And the sun came up and with great delight  
Cash shadows black on a field of white,  
As if not often a year it gets  
A chance to fashion such silhouettes.The children ran to the panes to see  
The beautiful scenes and danced with glee,  
But the old folks shivered again  
And told  
How long seems winter when you are old.

## Bell Telephone Will Give Pay Increases

PHILADELPHIA (AP) — About 9,500 clerical workers and operators of the Bell Telephone Co. of Pennsylvania will receive pay raises ranging from \$2 to \$2.50 a week under a new three-year contract.

Bell announced Tuesday agreement had been reached with Local 1944, International Brotherhood of Electrical Workers.

Besides the pay increases, the contract provides for two yearly wage reopeners, additional life insurance benefits and a paid emergency medical plan.

The pact will be retroactive to Jan. 8 if the union ratifies it before Jan. 20. The old contract expired Dec. 14.

Bell said the present maximum basic weekly wage of operators in Philadelphia is \$73.50.

SEEK OTHERS  
INVOLVED IN  
BIG SPY PLOT

By DENNIS NEED

LONDON (AP)—British intelligence agents today were believed seeking more persons involved in an alleged spy conspiracy centered on the top secret Portland navy research base.

Following a brief court hearing Monday for five persons accused of stealing secrets from the base, Scotland Yard obtained new warrants authorizing search of premises in London and western England.

Researchers at Portland, on the south coast, are testing the latest antisubmarine devices, many of them of revolutionary design produced in American laboratories.

Counterespionage agents have been told three areas of research would be priority targets for spies: design of sonar buoys, development of an aerial ASDIC listening apparatus, and progress on helicopter-carried homing torpedoes.

A full report on security measures at the base will be sent to the admiral heading the British joint services mission in Washington and then will be forwarded to U.S. officials.

Three of the five under arrest are believed to be Canadians, though this was not confirmed in court. They are Peter J. Kroger, 50, a bookseller; his wife, Helen, 50; and Gordon A. Lonsdale, 37, who described himself as a company director.

The other two persons arrested are Henry F. Houghton, 55, and Ethel Gee, 46, both employees at the Portland base.

There has been no official indication of what nation the five are accused of spying for.

Arrest of the five Saturday came after eight months of investigation.

WASHINGTON (AP) — Officials of three or four Cuban consulates in the United States reportedly have contacted the Immigration Service about seeking asylum in this country.

The Cubans have not fully made up their minds, nor has the service reached a decision on asylum for them, an immigration spokesman said Monday.

Adams County Electric Appliance Co.  
CARLISLE STREET87th Meeting Of Nation's Lawmakers  
May Be Labelled "Welfare Congress"  
If President-Elect Kennedy Has Way

Editor's Note — Help for depressed areas, higher teacher pay, more medical care for the aged — these were high in the list of John F. Kennedy's campaign pledges. What will the president-elect do about them after moving into the White House? From a veteran Associated Press political writer, here's an estimate of the broad outlines of the Kennedy legislative program. It's the third of five articles on Kennedy plans and problems.

By JACK BELL  
AP Political Reporter

WASHINGTON (AP) — History may tie the tag of "the welfare Congress" on the 87th meeting of the nation's lawmakers if President-elect John F. Kennedy gets his way.

In advance of its actual submission after his inauguration, Kennedy's legislative program is taking shape as one aimed at bettering the economic and social status of millions of Americans.

While he hasn't laid down any specific priorities, Kennedy has said he wants speedy action on measures to provide medical care for the aged, aid for education, housing, minimum wage and aid for chronically depressed areas.

## CITES SEVERAL OBJECTIVES

The president-elect has talked of easing interest rates, revising the labor laws, spurring economic development, and expanding national resources projects.

In the controversial field of civil rights he is tied to a platform declaration for congressional passage of a measure to clothe the attorney general-to-be, his brother Robert, with authority to bring federal injunction suits to enforce school desegregation.

This and some other proposals face tough and possibly successful opposition in a Congress the Democrats nominally control but where a coalition of conservatives of both parties has a great deal to say about the final form of legislation.

## PRESIDENTIAL ACTION

Outside of Congress, Kennedy has promised executive action to improve the condition of certain segments of the population.

He said repeatedly in the presidential campaign there was much a president could do by the stroke of a pen, such as ending segregation in federal housing programs, furnishing moral leadership and calling a conference of Southern moderates to recommend measures for civil rights progress.

The Kennedy program for aid to education has not taken final form. He supported a bill passed by the Senate in the 86th Congress for a two-year \$1.86-billion program for school construction and grants for teachers' salaries.

## ONE BILL DIED

The House passed a four-year program authorizing \$1.3 billion for construction only. The two houses couldn't agree and the bill died. Whether Kennedy is any more successful as president than as a senator in promoting a teachers' pay measure remains to be seen.

The new president will have a fight on his hands in proposing a medical care program for the aged, financed through Social Security taxes. Sen. Robert S. Kerr, D-Okla., already has served notice he will oppose a tax-financed proposal as a substitute for the state-federal program passed by the last Congress.

## OPPOSE WAGE BILL

Republicans are lining up their forces to battle an expected Kennedy recommendation for an increase in the minimum wage to \$1.25 an hour, with an expansion of coverage to another five million persons, mostly in the retail trades.

Republicans can be expected to contend that a minimum wage boost now may only increase unemployment. They are not alone in their opposition. For example, Sen. Fulbright, D-Ark., takes a similar position.

Kennedy's bill to help depressed areas may carry around \$400 million in federal grants and loans to encourage new industries in areas of chronic unemployment. It probably will call for retraining of miners, railroad workers and others who have lost their jobs permanently.

## NEW HOUSING BILL

Kennedy is expected to back a housing bill geared to spurring this lagging industry with lower interest rates and easier terms for credit purchases. In the past he has supported urban renewal programs.

There is some doubt on the course the new president may take in the complex field of labor law reforms.

The platform on which he was elected pledges the new president to seek repeal of the Taft-Hartley law provision which authorizes states to pass right-to-work laws. But it seems questionable to most observers that this will get a high priority—if any — in the rush to legislation providing broader welfare benefits.

These benefits could include a new department of urban affairs, to handle mounting problems of city dwellers, as well as some kind of central agency pointed at giving consumers a break.

These two projects still are in the speculative stage, however. Most associates think Kennedy will wait until he gets the feel

of the presidency and plumbs the economic situation thoroughly before making any such proposals.

FREES DADDY  
FROM PRISON

LOS ANGELES (AP) — Two months ago Haasan Zeghabe, broke and jobless, robbed a bank at gunpoint and escaped with \$400. It wasn't a very professional job and it didn't take long for police to arrest him.

Zeghabe, 35, father of three, tearfully admitted the crime and swore he had used an unloaded weapon.

He was jailed in lieu of \$20,000 bail pending sentencing. Then Zeghabe's daughter, Nadia, 11, wrote a letter, asking U.S. Dist. Judge Thurmond B. Clarke if her "daddy can come home for Christmas."

Daddy "was not really a bad guy," Nadia assured the judge, and would never rob a bank again.

Judge Clarke temporarily released Zeghabe for the holidays. Zeghabe came up for sentencing Monday. Judge Clarke noted that he had been deluged with mail about the case and that several firms had offered Zeghabe steady employment.

"While the court does not condone your actions we must look to the future," Judge Clarke told Zeghabe. "This seems to be a case in which to make an exception."

The judge released Zeghabe on a 10-year suspended sentence and five years probation. "I will never give you cause to regret, your honor," Zeghabe vowed, smiling and weeping as his family closed in about him.

As the family prepared to leave the courtroom, Nadia kissed Judge Clarke on the cheek and told him: "Thank you for giving us our daddy back. We need him."

## MAY HEAD FAA

WASHINGTON (AP) — The Washington Post said Tuesday Najeeb (Jeb) E. Halaby, 45, Los Angeles electronics executive, is President-elect John F. Kennedy's choice for administrator of the Federal Aviation Agency.

E.R. Quesada now heads the agency.

Halaby was a wartime Navy flier and later a test pilot for Lockheed Aircraft Corp. He served in both the State and Defense departments during the Truman administration.

## Bullets Top Dickinson 85-65; Frosh Win; Host Penn State On Thursday

Five Gettysburg College basketball players landed in double figures as they spurred the Bullets to an 85-65 win over Dickinson Tuesday night on the Eddie Plank gym floor before 1,000 persons.

Despite the Bullets' overwhelming final score, they had a tough battle on their hands for three-quarters of the game. Dickinson fell victim of the grueling pace midway through the second half and the Bullets began to build their lead.

The Red Devils held the lead four times during the contest. They jumped to a 2-0 advantage, taking the top off for a score. With 14:01 remaining in the first half, Dickinson moved ahead 16-15. The third time the visitors gained the lead was at 2:11 of the second half when they moved in front 46-45. The final Dickinson lead came at 4:05 when they led 50-49.

### FITZKEE TABS 18

On three occasions, when Dickinson took over, it was 63" center Bill Fitzkee who had to keep the Bullets rolling. The Gettysburg senior came through with an assortment of shots from the field and added to the score from the foul line. Fitzkee was one of five Bullets who hit double figures as he registered 18 points and captured 13 rebounds.

The score saw-sawed in the first half and neither team built much of a lead. At intermission Gettysburg led 42-37. In the second half, Dickinson came back and held on for the first six minutes before Gettysburg found its mark and began banging away at the basket. With 10:02 remaining in the game Fitzkee, Keener, Simpson and Parker gave the Bullets a 67-54 lead which was never threatened.

Ron Warner was high scorer in the contest with 20 points. Bryon Quann and Bill Schantz each paced the visitors with 16 tallies each. Schantz also grabbed 12 rebounds for the Red Devils.

The Bullet yearlings, using their height to great advantage, completely outclassed the Dickinson reserves during the first half of the preliminary and Gettysburg finally captured a 67-42 win.

Gettysburg rolled to a 43-24 lead at half time but were able to score only 24 points in the second 20 minutes of play. Despite this, the Little Red Devils were held to 18 during the same period.

### KEPNER SPARKS FROSH

Doug Kepner, 6'5" center, was the game's leading player as he tallied 20 points and grabbed 21 rebounds. Ed Eater topped Dickinson with 18 tallies.

The Gettysburg varsity (8-2) will attempt to keep its streak going when it entertains Penn State Thursday night. A large crowd is expected to be on hand. John Carpenter's yearlings (6-2) will face York Junior College in the 6:45 p.m. preliminary.

### Lane Wants Jim Piersall For K. C.

CLEVELAND (AP) — Frank Lane, who quit last week as general manager of the Cleveland Indians to take a similar job with the Kansas City Athletics, wants the Indians' center fielder, Jim Piersall, in a swap for Bill Tuttle. "I'd like to have Piersall," said Lane on a stopover there Monday. "He'd stir up the fans in Kansas City like he did here. He's just what we need out there. We have to bring people into the ball park, and who can create more excitement than Piersall?" Lane admitted his efforts to get Piersall had no support from the Athletics' field manager, Joe Gordon, who started last season as Cleveland manager. "Gordon doesn't want him back," Lane said.

Chambersburg, favorite to cop the title, grabbed a 21-7 lead in the first period and at half time enjoyed a 43-17 advantage.

Gordon Harvey of the Cannons was the top scorer of the evening with 30 points. John Walker led the Trojans with 26.

Biglerville's reserves surprised by taking the preliminary 40-39. The Cannons will be idle until next Tuesday when they play at Hanover.

## Barons Whip Aces To Hold 2nd Place

By THE ASSOCIATED PRESS

The Cleveland Barons, fighting to hang onto second place in the American Hockey League, finally have put the brakes on their long skid.

After losing five in a row and falling to within one point of third place, the Barons defeated the Quebec Aces, 4-3, Tuesday night.

Bill Sutherland's second goal of the game at 18:22 of the third period provided the winning margin.

Now the Barons are three points ahead of Hershey and Buffalo, which are tied for third.

Bill Dineen and Aldo Guidolin scored the other Cleveland goals while Michel Labadie, Lorne Ferguson and Jean-Marie Cossette tallied for the Aces.

No other games were scheduled Tuesday night.

Tallying 22 points from the free throw line as compared to four for Delone, the York Catholic High dribblers crushed the Squires 76-58 at McSherrystown Tuesday evening as the Central Penn Catholic League began action.

York made its conversions on 37 tries while Delone was given but eight free tosses.

Delone jumped out to a 19-14 lead in the opening period but then fell behind 35-34 at half time.

The Fighting Irish gradually pulled away in the final two periods to win handily.

Tom Keese and Johnny Watson combined for 50 points for the winners with 26 and 24 points. "Boomy" Weaver and Dick Rosensteel rammed through 20 and 10 to lead the Squires.

Delone's reserves won the preliminary 44-40 with Stew Grotz rimming 14 for the winners.

Delone meets Lancaster at McSherrystown on Friday in another league affair.

## TAR HEELS WIN AGAIN AS NCAA NEWS IS HEARD

By DON WEISS

Associated Press Sports Writer

The year's probation slapped on North Carolina's basketball team by the NCAA will hurt. The Tar Heels of smilin' Frank McGuire could be the toughest squad assembled at Chapel Hill since McGuire's unbeaten NCAA championship of 1957.

The Tar Heels, seventh-ranked nationally, accepted the news from Pittsburgh that makes them ineligible for this year's NCAA competition, then tumbled Wake Forest out of the Atlantic Coast Conference lead Tuesday night with an 83-74 victory.

It was the seventh in a row and ninth in 11 games for the Tar Heels, who moved up to second place in the rugged ACC with a 2-0 league record to 3-0 for Duke, the nation's No. 8 team.

OTHER WINNERS

Unbeaten DePaul rode Howie Carl's sharpshooting to its 11th straight victory, 69-60 over Ohio U. third-ranked St. Bonaventure (12-1) crushed Gannon (Pa.) 103-71 and Marquette snapped Detroit's 23-game home court winning streak, 85-63, in other top games on the college schedule.

Texas A&M, behind a 37-point burst by Carroll Broussard, sped into the Southwest Conference lead at 3-0 with an 81-62 decision over Arkansas, and Texas' balanced defending champions got back into the race by handing Texas Tech its first defeat 63-55.

In other SWC games, Steve Smith's 24 points led Rice's 82-60 whipping of TCU, and SMU, with Steve Strand scoring 22 points, handed Baylor its 11th loss in 13 games, 75-64.

LaSalle on top

Mississippi state won its second straight Southeastern Conference test, 80-63 over Alabama, and Western Kentucky wheeled to its fifth consecutive Ohio Valley triumph, 82-78 over Tennessee State.

LaSalle, behind Joe Carey's 22 points, beat Lehigh 77-62 for a 4-0 record that tops the

M. L. ZEIGLER GIVES TALK AT FARM MEETING

An Adams County feed manufacturer today recommended direct unloading of pelleted or crumble rations from truck to rows of large range feeders for efficient turkey production.

M. LeRoy Zeigler of Gardner's said the research farm for Zeigler Brothers Feed Mills, Inc., needed only the minimum investment in range feeders which could be adapted to any size production unit at an equipment cost of five cents per turkey per year.

Zeigler told the turkey growers meeting at the Pennsylvania Farm Show that his organization first experimented with bulk feeding using a low pressure air system. He said the need for highly-trained operators and the loss of vital micro-ingredients as disadvantages to the air-pipe system. He said that gravity-flow systems from roof top bulk tanks were expensive and sometimes permitted spoilage through condensation or leakage.

**COSTS IMPORTANT**  
"Some bulk systems may be entirely satisfactory," he said.

"The most important consideration is: Can a new system reduce my total production costs?" Zeigler showed a side of the "most satisfactory design of a delivery truck" for range feeders which permitted unloading a full week's supply of feed at one time. He cautioned against deliveries less than a week apart. "About 10 micro-ingredients are needed to fortify turkey feed," he said. He pointed out that the pellet or crumble form would diminish the chance that small amounts of important nutrients would be distributed unevenly due to static electricity or other factors.

Managers Approve Light Heavy Fight

PITTSBURGH (AP)—A world's light heavyweight title match between top-ranked Harold Johnson of Philadelphia and Eric Schoepner of Germany has received approval from the managers of the two fighters.

Paul Sullivan, chairman of the National Boxing Association's Championship Committee, said Tuesday he has received agreement from the managers and that he is polling his six-man committee to decide whether to approve the match.

ADVERTISE IN THE TIMES

GREENHOUSE TOMATOES COST 13.7C

Boyd A. Mertz, greenhouse operator of Northumberland, Pa., told a Pennsylvania Farm Show audience today that he computed production costs of greenhouse tomatoes to be 19.8 cents per pound during 1960.

Speaking before the educational meeting of the Pennsylvania Vegetable Growers Association, Mertz said that direct costs of growing, harvesting and heating the crop were 13.7 cents per pound. The remaining "overhead" costs might vary widely among growers depending on debt, location, physical condition of the houses and other factors.

Mertz said he collected data daily to compute the cost on the basis of the yield of No. 1 quality tomatoes. He said the average wholesale price for tomatoes during 1960 was approximately 28 cents per pound.

"It is safe to conclude that for a reasonably efficient growing operation, there is a profit to be realized in growing greenhouse tomatoes," Mertz said.

A breakdown of direct costs included: Growing, 5.8 cents; harvesting, 4.2 cents; heating, 3.7 cents. Daily figures on labor and materials for growing and for harvesting were kept separate, he said. Heating costs used a six-year coal average and 1960 labor costs prorated among the various crops grown.

Mertz said harvesting costs were directly related to the size of the crop but production costs per pound could be reduced with a higher volume of No. 1 quality tomatoes. Among production costs he included plant propagation, bed preparation, planting, wetting and pruning. Overhead costs included maintenance, insurance, taxes, depreciation, cost of money and other items.

Plane Guided Into Uninhabited Area

LONDON (AP)—An Air Force pilot from Media, Pa., carefully set controls so his disabled jet fighter would go into uninhabited woods near Tivesthall, Norfolk, Tuesday.

The pilot, Capt. Paul E. Raudenbush, then parachuted to safety. He was uninjured.

He was on a training flight from the Royal Air Force Station at Lakenheath.

DALLAS AREA PROSPECT FOR PRO BASEBALL

By MIKE COCHRAN  
Associated Press Sports Writer  
DALLAS, Tex. (AP)—Graying, soft-spoken Ray Johnston, a little man with big aspirations, Tuesday purchased for an undisclosed sum the Dallas-Fort Worth baseball franchise in the American Association.

Johnston, 45, for five years general manager of the league's Indianapolis club, left little doubt as to his plans for the Rangers' futures — abeth in the major leagues.

"This is a No. 1 baseball area," he said at a press conference. "If we put an exciting ball club on the field I don't think we have anything to worry about — eventually we'll make the major leagues."

**PREDICT MAJOR FRANCHISE**  
J. W. Bateson of Dallas, club co-owner along with Amos Carter Jr. of Fort Worth until Tuesday, predicted a major league franchise "within a year or two, and at the most not more than three."

Johnston said when the time comes he could if necessary bring in the "right people" to help solidify a franchise in the majors. However, he said, "we want Texas people in the organization and we want to be in a flexible position to get into the major league — we want to be able to move fast and without too many obstacles."

The "obstacles," Johnston said, were too many owners, a corporation with stockholders or a syndicate.

JACK MEYER OPTIMISTIC ON COMEBACK

PHILADELPHIA (AP)—Right-hander Jack Meyer appears optimistic about making a comeback with the Philadelphia Phillies after a back injury which sidelined him almost all of last season.

The 28-year-old pitcher, who got off to a good start last year before injuring an already bad back during horseplay with teammates in Pittsburgh last May, signed his 1961 contract with the club Tuesday. He had a 3-1 record before being placed on the disabled list June 1.

Meyer, who was fined two weeks pay for the horseplay and developed strained relations with the club after an exchange of words over the incident, said he thinks he's "grown up."

**3 BAD YEARS**  
"I've had three pretty bad years — family-wise, publicity-wise, baseball-wise and in about every other way," he said after a workout in a field house.

"But when you go through what I did last year," he added, "it should do something to you. You either become bitter or you become a better man and I don't think I'm bitter."

"I've made some mistakes and I made some enemies. But I think I've grown up and maybe it's time."

**REGULAR CONTRAST**  
Meyer, who spent over a month in a hospital during which he had a ruptured disc removed and a fusion of two vertebrae, said he feels extremely well.

"Naturally I'm encouraged about my chances," he said. "Everyone thought I was finished last summer and people who have had the operation I had can't believe it when I tell them how mine has turned out."

Meyer said he received a regular contract rather than one on a conditional basis. Terms were not disclosed.

Each of the two television cameras placed on the Tiers I weather satellite weighed about two pounds and was the size of a water glass.

SAYS APIARY CHECKUPS AID

Systematic inspection of apiaries in Pennsylvania has reduced the incidence of contagious and infectious diseases among honey bees to a record low in 1960, according to George Slesman, chief apiary inspector of the Pennsylvania Department of Agriculture.

Slesman reported to a meeting of the Pennsylvania State Beekeepers' Association at the State Farm Show that 1.3 per cent of colonies inspected were diseased. Incidence of American foulbrood disease was 1.1 per cent during 1960.

During the summertime inspection season 6,381 apiaries with a total of 46,964 colonies were checked, and 214 apiaries with 543 colonies were infected with American foulbrood, he said.

Slesman said unusual weather conditions resulted in a honey crop below average production. Some flowers failed to produce nectar and it was too cool or rainy for the bees to work when some flowers were blooming.

"In most areas the fall nectar flow was sufficient for the bees to collect and store only enough honey to last them through the winter," he said. Slesman said the poor nectar flow and weather conditions may have been responsible for inspection difficulties.

"The bees were difficult to work with, and stings were frequent and painful," he said.

TRIS SPEAKER AWARD GIVEN TO DICKIE KERR

By MAX B. SKELTON  
HOUSTON, Tex. (AP)—Dickie Kerr, the honest hero of baseball's most embarrassing World Series, is the first winner of the annual Tris Speaker award.

Kerr, who pitched two victories against Cincinnati in the 1919 Black Sox World Series that some of his Chicago White Sox teammates said they tried to throw, got the award Tuesday night as President Warren Giles and seven National League managers welcomed Houston into the National League at the city's first major league baseball dinner.

**CONTRIBUTED MUSICAL**  
Kerr was chosen for his contributions to baseball. One of them was seated at the head table — a one-time Class D pitcher named Stan Musial whom Kerr converted into one of the great hitters of all time.

Kerr is now a construction office manager in Houston—a city that has a franchise for National League play in 1962.

"In baseball's darkest hour, this man stood as a symbol of shining light," said Clark Nealon, sports editor of the Houston Post, when he gave the award to Kerr.

Speaker, the first Texan to enter the baseball Hall of Fame, had a lifetime batting average of .344 after a 22-year career in the American League.

Hagerty Begins New Job On January 23

NEW YORK (AP)—Three days after President Eisenhower leaves the White House, his press secretary, James C. Hagerty, will take over as vice president in charge of news, special events and public affairs at the American Broadcasting Co.

Hagerty, 51, announced his White House resignation Monday. He is taking John Daly's job at ABC. Daly resigned in November in a dispute with the network over policy.

Hagerty, who received \$21,000 a year as White House press secretary, declined to reveal his ABC salary. Informal sources believe it is about \$30,000 a year.

has a franchise for National League play in 1962.

"In baseball's darkest hour, this man stood as a symbol of shining light," said Clark Nealon, sports editor of the Houston Post, when he gave the award to Kerr.

# Hagerty, Ike's Buffer, But No Blabbermouth, Resigns

By JAMES MARLOW  
Associated Press News Analyst  
WASHINGTON (AP)—For eight years a take-charge man with big eyeglasses and more than enough chin did an extraordinary job of making his boss, the President of the United States, look good.

Now James C. Hagerty, President Eisenhower's press secretary with a beat of a temper and so much self-assurance he could hold a surplus sale, is leaving.

When he turned in his resignation, Eisenhower said he had been invaluable. And indeed he was.

Eisenhower admittedly didn't do much newspaper reading. Hagerty, a 51-year-old grandfather and former newspaperman, was to a large extent the President's eyes and ears.

NO BLABBERMOUTH

He was more than that. He not only was a buffer between the President and the press to a degree unmatched in this century, he was also Eisenhower's mouthpiece.

But he was no blabbermouth. He never got his devotion to news mixed up with his loyalty to Eisenhower. He never said anything to embarrass his boss. He didn't make slips.

Hagerty was a master of two things which a lot of press relations men never learn: He paid attention to details and informed himself on problems he had to handle.

WAS IKE'S SCOUT

Seem simple? It's amazing how many people in Washington don't do either.

In time Hagerty became Eisenhower's scout, a kind of private emissary, who went ahead of the President when he planned a trip abroad and arranged for his safety and convenience.

He became such a strong and established figure in the group around Eisenhower that he was almost certainly an advisor on policy.

Hagerty was unchallenged within the administration as emperor of his special domain from the time he took charge of the news about Eisenhower's heart attack in 1955.

SERVED WITH DEWEY

His forthrightness in keeping the country informed at that critical

time was widely admired. He seemed a lot less forthright when Eisenhower had his ill-fated operation.

Hagerty's attention to detail goes away back beyond the time he went to work in the White House. He was press secretary to New York's Gov. Thomas E. Dewey when the latter ran for the presidency in 1944 and 1948.

He was a tough, efficient operator then. Dewey turned him over to Eisenhower when the general became a candidate. As it turned out, this was one of the best things Dewey did for Eisenhower.

Now Hagerty goes to the American Broadcasting Company as vice president to build up its news reporting. He succeeds John Daly.

Unlike Daly who did broadcasting himself, Hagerty will stay out of sight, try to build up a staff, and let the staff do the talking.

Not talking will be a switch for him.

## Mt. Hope

MISS JOY E. METZ  
MT. HOPE — Mrs. E. V. Hartzell, Hagerstown, spent the weekend with her sister, Mrs. Goldie Dudash, Mt. Hope Rd.

Mr. and Mrs. Charles Bowers, New Oxford, spent Sunday at their trailer in Mt. Hope.

The Rev. Freda Kump, Pittsburgh, spent a few days recently with her parents, Mr. and Mrs. John Kump, Mr. and Mrs. Paul Bankert, Hanover, also spent Sunday at the Kump home.

Mrs. Elizabeth Mickley was elected president of the Ladies Aid Society of Mt. Hope EUB Church at a meeting Thursday in the church hall. President Mrs. Mildred Kepner presided. Others elected were: vice president, Mrs. Louise McDannell; secretary, Mrs. Katherine Kint; and treasurer, Mrs. Mildred Shindlacker.

Plans for a good and rummage sale were made, and plans to hold a quilting party was also mentioned.

Rev. Alfred Gotwalt gave a brief talk on "What Is the Bible?" Refreshments were served after the session by Mrs. Mildred Shindlacker.

# CLAIMS U. S. IS SENDING ARMS TO GUATEMALA

NEW YORK (AP)—The United States is supplying Guatemala with training personnel, material and other assistance in the preparation of a commando-type force for a possible clash with Cuba, the New York Times reported Tuesday.

A dispatch by Paul P. Kennedy from Retalhuleu, near the southwest coast of Guatemala, said the United States also helped finance the construction of a nearby airfield where intensive daily air training is going on.

"Guatemalan authorities from President Miguel Ydigoras Fuentes on down insist that the military effort is designed to meet an assault, expected almost any day, from Cuba," said the dispatch.

"Opponents of the Ydigoras administration have insisted that the preparations are for an offensive against Cuba and that it is being planned and directed, and to a great extent being paid for, by the United States."

Cuban Foreign Minister Raul Roa charged in the U.N. security Council last week that training camps for "mercenaries" for use against Cuba were operating in Guatemala and elsewhere. He complained that the United States was planning an invasion of Cuba at almost any hour.

President Ydigoras previously charged that a frustrated uprising in Guatemala last November was aided by Cubans. At his request President Eisenhower sent U.S. naval and air patrols off Guatemala's coast to prevent any invasion of the country.

The U.S. Embassy in Guatemala City is maintaining complete silence on the activity at Retalhuleu, Kennedy said.

## Abbottstown

ABBOTTSTOWN — Donald Smith, Abbottstown, and Foster Kimball, Berwick Twp., were received into membership at a recent meeting of the Abbottstown Fire Company held in the fire hall. Ten members were present.

A donation of \$50 from the local bank was reported. Receipts for the month showed \$104 and expenditures amounted to \$329.

It was announced that the rear social room had been equipped with a ventilation system. Card parties were planned for the first and third Saturday of each month for the remainder of the season.

Chief Ernest Bollinger reported no fires or alarms during December. It was also announced that identification plates for firemen's cars can be purchased from the chief. Refreshments were served after the meeting.

MILAN, ITALY (AP) — Retired Gen. Luigi Carini, 80, died of a heart ailment Monday. Named a divisions group commander in the Italian army during World War II, he later was removed and imprisoned for refusing to collaborate with the Germans.

BRUSSELS, Belgium (AP) — Two people have been fatally wounded during demonstrations in the three-week-old Belgian strike, and there also have been several traffic fatalities as a result of barricades thrown up by strikers.

The two men shot were an unemployed painter, who was killed by a passerby trying to rescue a gendarme from the crowd during a Brussels demonstration, and a Liege worker, who was wounded during a strikers' attack on a Liege railroad station last Friday.

LIMA, Peru (AP) — Peru's Senate Monday gave final passage to a bill outlawing the Communist party and extremist groups threatening to overthrow the government.

# 4 AIRPLANES, COPTERS SENT TO VIENTIANE

By ROY ESSOYAN  
VIENTIANE, Laos (AP)—Four armed observation planes and an unspecified number of helicopters from the United States arrived in Vientiane Tuesday, raising fears that an arms race will be speeded in Laos.

Some European sources said delivery of the planes could step up the race between the West and the Communists to supply rival sides in the Laotian civil war with increasingly effective weapons.

The observation planes, propeller-driven models armed with two machine guns each, presumably will be used for spotting pro-Communist rebel units threatening the royal capital of Luang Prabang and digging in for a threatened government offensive in the strategic central Plaine des Jarres.

FLOWN BY LAOTIANS

They will be flown by Laotian pilots. A U.S. spokesman said delivery of the planes is authorized by the Geneva agreements permitting the supply of "defensive" weapons to the royal Laotian forces. Helicopters are already being used to shuttle food, gasoline and ammunition to the government's forward elements and to evacuate dead and wounded.

The delivery of the American planes is expected to set off protests from Communist powers supporting paratroop Capt. Kong Le's pro-Communist forces in Laos. It could also give the Soviet Union and Communist China grounds for supplying similar aircraft to Kong Le's forces. They have been dropping supplies to him by parachute for a month.

## 2 TRAINS HIT 2 CARS, KILL 12

KANSAS CITY, Mo. (AP)—Missouri Pacific passenger trains hit two automobiles in separate accidents in Missouri Monday, killing 12 persons.

There were no survivors in either car. Both trains were traveling 75 miles an hour when the crashes occurred.

Eight died in the crash near the village of Strasburg about 30 miles southeast of Kansas City. They were two young mothers—sisters-in-law—and three preschool children of each.

Four persons died in the accident at Harviell, about 10 miles south of Poplar Bluff in southwest Missouri.

Engineer James Smith of Little Rock, Ark., said he thought the persons in the car saw the train in time to stop.

Floyd Boltz, engineer of the train in the Strasburg crash, said the car pulled up to the crossing, stopped, then moved ahead and stopped on the tracks.

## MISSING CAT FOUND

NEWCASTLE, Wyo. (AP)—Ted Draper's missing cat has popped up—under the hood of a car in Osage, 15 miles away. The car's owner, Roy Jones, said the cat appeared unhurt but he couldn't figure out how it got there.

# 5,000 Vehicles Barred From Pike

HARRISBURG (AP) — Nearly 5,000 vehicles were turned away from the turnpike during 1960 because they were considered unsafe, the Turnpike Commission reported Tuesday.

About 25 per cent of the 4,771 vehicles refused entrance had bad tires, the report said. The others were rejected because of inadequate lights, dangerous loads, faulty equipment or because the drivers were intoxicated.
